**Jesus said:  
No one  
comes to  
the Father  
except  
through  
me.**

There is only one route to salvation and that is through Jesus Christ, the Messiah, the one and only.

We as the church over many generations, have watered down the gospel to try and make it palatable in so many ways that it has lost its power.

We have found the message tough and so have sought to make it more inclusive. But in doing so, have lost the very power to save that the gospel offers.
