

Prayer Meeting via Zoom

Good evening everyone,

We're really pleased to announce that we're going to have our usual weekly prayer meeting this Sunday online from 9.30-10.10am. This will be through Zoom, which you can either download as an app to your phone or tablet, or access via their website: zoom.us.

If you'd like to join us, you may need to register for an account. Once you've done this, you then select the tab 'Join a Meeting' on Zoom's website (in the top right hand corner) at 9.30am, entering the following ID, which should bring you into the video call with everyone else who is also taking part:

798-661-132

We've trialled it this evening with Jenni and Dorothy's house group, and it worked much better than expected. If it goes well on Sunday, we will meet at the same time every week on Zoom until we're able to meet together again in person.

If you are unable to join us technically, please do still pray with us.

Yours in Christian love,
Matt
